CLASSIC RACE AARHUS

26 AND 27 JUNE 2010

This great historic race in the Minde-parken in the city of Aarhus, Denmark, is now in progress for the 1st time.

THE TRACK

Welcome to a fun and challenging street race track! Your driving techniques will be tested through 90-degree curves and it will be revealed how well you know your car taking it through curves and up and down the hills on this 2 kilometer track. Tempted? Have a look at the video from the track on www.craa.dk.

THE FAMILY

The venue of the upcoming annual motorsport race Classic Race Aarhus will be surrounded by lush green forest, beautiful parks and the royal summer residence Marselisborg Castle close to beaches, attractions and shopping – a perfect setting for the entire family. The beautiful classic cars, the race track and the race itself will be the main attraction, however, there will be numerous activities for all family members.

THE INSPIRATION

Step into a time capsule and head back to the Fifties and Sixties in the dedicated Goodwood-inspired area where you suddenly find yourself surrounded by the unforgettable glory days of motorsport; learn about the history of motorsport, simply enjoy the beauty and breathe in the historic and romantic atmosphere.

THE PROFIT

Classic Race Aarhus is committed to dedicate profits from this annual event to children's traffic safety.

GREAT HOSPITALITY

It is well known that the hospitality is very nice in Denmark and so it is in Aarhus too. Each entrant gets 2 passes for the Drivers Lounge where there each day is served Breakfast, Lunch and afternoon tea together with famous drivers from Denmark and Europe.

VERY FAIR ENTRY FEE

The entry fee is DKK 2150 for sprints and DKK 3100 for half hour races so it is a very fair price for one of the most scenic race-courses in Europe.

CLASSES

Classic Race Aarhus will gather some of the most exciting cars and makes of the past. Pre war, 50'ies sportscars, Touring and Grand Touring from the 60ies and 70ies as well as great cars with Le Mans history.

We hope to see you in Aarhus on the 26th and 27th June 2010.
